We are manufacturer, trader and supplier Plastic Drum & Container. Known for their resistant to chemicals and high thermal insulating property, the plastic products are manufactured by using advanced tools.

About Us

We, Gujarat Polythene Industries, established in the year **1960**, are among the prominent manufacturers, suppliers and traders of a wide array of high quality Plastic Drum & Container. The product range offered by us is inclusive of Open Mouth Drum, Metal Drum, Plastic Bucket and many more. The raw materials such as plastic and stainless steel, which are best in market, are used for the purpose of manufacturing of the offered range of metal products and plastic drums & containers. Their sturdy construction, high strength, resistance to various chemicals and excellent thermal & electrical insulation make these metal products and plastic containers & drums highly demanded in the market. For the ease of our customers, we offer them multiple modes of payment such as cash and credit card.

With complete transparency in all the business dealings has helped us in winning the trust of our valuable customers. Quality of the offered range of metal products and plastic drums & containers, being our utmost priority, is maintained at all the times through various quality assurance procedures.

Managed by our B.D.M, **Mr. Prafull Shah**, we have been able to cater to the precise needs of our valuable customers in the most efficient manner. Backed and supported with the experience of our mentor, we have been able to gain a commendable position in this domain.
